

COMPRESSPORT®
OFFICIAL SUPPLIER
OF THE 2024 HOKA UTMB® MONT-BLANC

COMPRESSPORT® is proud to support the HOKA UTMB® Mont-Blanc as the **official compression supplier** for the eleventh consecutive year.

In a few weeks, the **international elite** of trail running will joyfully gather once again for this 21st World Summit of Trail Running.

As it has been for the past 11 years, **COMPRESSPORT®** will be **present throughout the event**.

Discover the UTMB® 2024 Limited Edition Range...

Training SS Tshirt M

This versatile and stylish short-sleeve T-shirt provides superior comfort during everyday training.

3D Thermo Seamless Hoodie Zip

The hoodie is very comfortable thanks to its ultra-light and breathable fibers. It can be worn on all occasions, even for a chic and urban look.

Free Belt Pro

Minimalist, comfortable, and ultra-light, it is designed to carry everything you need without any bouncing.

PRS V4.0 Trail

These high-tech trail running socks protect, absorb shocks, and support the feet during the most difficult off-road challenges.

The products of the UTMB® 2024 range will be available at the official UTMB World Series tent, at the stand, and on the COMPRESSPORT eshop.

A Collaboration and an Increasingly Active Participation Year After Year

COMPRESSPORT® will support all those who have the pleasure and privilege of wearing a bib for this new 2024 edition.

- Monday, August 26 to Friday, August 30, 2024 - **Stand COMPRESSPORT®**

The entire COMPRESSPORT® team will be pleased to welcome runners to their stand to equip, advise, and encourage them.

- Wednesday, August 28, 2024, at 8:00 AM - **Morning Run**

Open to all, the traditional morning run will take place with many athletes and will be followed by a friendly and balanced breakfast. Departure: Ultra Trail Village Fan Experience.

- Wednesday, August 28, 2024, at 10:00 AM – **Athlete Presentation**

Athletes will be present to share their last-minute pre-race advice. Meeting point: Ultra Trail Village Fan Experience.

- Thursday, August 29, 2024, at 4:00 PM – **Compression Talk**

Arnaud Ménétrier, Scientific Director, will be present to unveil the secrets of compression before, during, and after the effort. He will (re)introduce how innovative products can optimize performance and reduce the risk of injuries. Meeting point: Ultra Trail Village Fan Experience.

- Thursday, August 29, 2024, from 2:00 PM to 3:00 PM and Friday, August 30, from 10:30 AM to 11:30 AM

Distribution of customizable signs for anyone wishing to cheer on the runners along the course. Meeting point: Ultra Trail Village Fan Experience.

From Thursday, August 29, 10:00 AM to Sunday, September 1, 2:00 PM – **La Flégère**

The entire **COMPRESSPORT®** team will be present at the last checkpoint at La Flégère to encourage the OCC, CCC, and UTMB® runners before the finish line. All supporters are welcome to share these moments and make a show at one of the most lively points of the course!

COMPRESSPORT® Athletes ...

at the start of TDS...

Ariane Wilhem (SUI) winner of MIUT 80km this year will take on TDS Mont Blanc for the first time.

at the start of OCC...

Rosa Maria Lara Feliu (ESP) is having a breakthrough year. Current leader of the GTWS, she is hoping for a big result in her first time racing in Chamonix. She will take on the OCC.

Theres Leboeuf (SUI) lining up alongside Rosa, she is also having another strong year with consistent performances and currently 4th overall in the GTWS series.

at the start of UTMB...

Aurélien Dunand-Pallaz (FR) is back after finishing 2nd at UTMB Mont-Blanc in 2022. With big results since then including victories at Hardrock 100 and Dagonale des Fous last year, this year he is aiming for his best result yet.

Helio Fumo (PT) will take on his first ever 100 mile race with UTMB Mont-Blanc. After finishing CCC last year, he is making the jump to the 'showcase' race and is aiming to give everything against a strong men's line-up.

Ludovic Pommeret (FR) at 49 years of age, returns to celebrate 20 years since his first race at UTMB Mont-Blanc. Fresh from a record breaking victory at Hardrock 100, he is motivated for another top performance

Sage Canaday (US) returns to UTMB this year after several years. Last year finishing TDS, he is back at the race he loves the most.

Thibaut Garrivier (FR) always consistent with top results including victory in CCC in 2021 and 6th last year at UTMB, proves he has great form once again with 2nd at the Maxi Race this May.

The athletes COMPRESSPORT will be equipped with products from the SS24 ATHLETE CAPSULE.
